Simplifying HR

COVERING EVERY AREA OF HR

Our experience in human resources enable us to offer assistance in a full range of HR operations, many of which can be difficult for business owners to oversee. Whether you need support managing open workers' compensation claims, or assistance recruiting employees and everything in between, we're ready to help. Our HR services can enable your team to work more efficiently and can help save you valuable time, money and manpower on matters that can easily get in the way of running your business.

YOU MAINTAIN CONTROL

The HR services model allows you to offload your HR administrative responsibilities to trained professionals while maintaining your current corporate culture and HR policies. We can also offer guidance on any possible policy shifts or adaptations that your organization might be considering and help you through significant organizational changes, such as switching pay schedules, implementing new time management systems or changing major benefits providers.

Our Unique Service-Talent Acquisition

- We recruit and retain the highest calibre of experienced employees with proven ability of providing customer service excellence at all times.
- We will create stringent recruitment strategies bespoke to your business need, which will outline a cost-effective method of recruiting new talent into your organisation along with timescales involved.
- As a standard element of the recruitment process, each candidate is assessed through a competency-based interview and objectively presented with full interview reports.
- We invest time to ensure that we understand your business; its organisational make-up, culture, strategic direction, performance goals and competitive position.
- Professional Standards - we conduct our business following strict ethical standards, maintaining complete confidentiality for candidates and clients alike
